Dear Andy,

We can't thank you enough for putting together the fantastic Pediatric Therapy Network 15th Birthday video for us! We truly appreciate all of the time and effort you put into organizing and arranging all of our pictures into such a beautiful photo montage set to music! It is a wonderful commemoration of PTN's first 15 years and a keepsake that we will treasure.

We are very grateful for your gift and generosity. Thank you for making our special day even more special with your video tribute!

Sincerely,

A handwritten signature in blue ink that reads "Debbie". The signature is fluid and cursive, written in a professional style.
